## Description

Twin, part of Metalco’s acclaimed Massimo Tasca collection and now available through Bailey Street Furniture Group (BSFG), is a sculptural modular bench system crafted from High-Performance Concrete (HPC). With two elegant versions—a crossed cantilever forming dual seats with central table, or mirrored cantilevers creating a unified long table with seating at each end—Twin combines architectural finesse with outdoor resilience. Offered in versatile finishes such as grey, white or dark grey, Twin is ideal for plazas, campuses and transport hubs seeking a designed, durable seating solution.
