## Description

The KS2 Junior Goal Unit 3 is a large, multi-sport goal system designed for football, basketball, hockey and cricket for children aged 7–11. Featuring a 2000mm overall height, 7200mm width and 400mm depth, it provides a generous and engaging play zone suited to developing coordination, accuracy and team play. It incorporates a basketball backboard with a 2600mm ring and 1000mm high side panels with integrated targets and wickets for varied, skill-building activities. Manufactured from galvanised and polyester powder-coated mild steel, it delivers long-term durability, vandal resistance and outstanding all-weather performance.
