

EDWARD LITTER BIN

SKU: 302.0263

Description

The **Edward Litter Bin** is a tough, highly durable **polyethylene outdoor bin** designed for public-realm, commercial and educational environments. Its **internal galvanised steel framework** reinforces the structure, offering long service life with minimal maintenance. The **hooded lid** promotes easy, weather-protected waste disposal, while the **bright, high-visibility finish** makes Edward ideal for safety-critical or high-traffic areas. A **surface-mounted installation** ensures secure placement for long-term use.
