

LINK PICNIC SET

SKU: 301.1250

Description

LINK Table with Bench is a modular, trapezoidal steel-and-wood seating system that seamlessly adapts to site needs by linking together multiple units. It fosters social interaction and flexibility with face-to-face or back-to-back layouts, crafted from hot-dip galvanised steel and oil-treated mahogany slats. Designed by AART Designers to encourage outdoor learning and collaboration, LINK installs quickly and requires minimal maintenance, making it ideal for educational campuses, plazas and public spaces.
