

KS2 JUNIOR GOAL RECESS 37

SKU: 401.0448

Description

The KS2 Junior Goal Recess 37 is a durable, space-efficient recessed goal designed for organised team sports such as football and hockey for children aged 7–11. With a 1000mm overall height, 3200mm width and 400mm depth, it creates a controlled play zone that encourages accuracy, teamwork and confident ball-skills progression. Made from galvanised and polyester powder-coated mild steel, it is fully weatherproof, vandal-resistant and virtually maintenance-free. Optional target panels or cricket wickets allow schools to expand skill-development opportunities within the same compact footprint.
