

SVC4 BIKE STAND

SKU: 101.1248

Description

The SVC4 Bicycle Bollard is a stylish, space-efficient solution for secure cycle parking in urban and commercial environments. Combining the functionality of a bollard with integrated bike locking points, it offers durability and modern aesthetics. Manufactured from hot-dip galvanised steel with optional powder-coated finishes, it ensures long-term performance and corrosion resistance. Ideal for specifiers seeking multi-purpose street furniture that enhances public spaces.
