

AIR KIT PRIME BIKE PUMP

SKU: 109.1116

Description

The Air Kit Prime is a robust, public-use bike pump designed for heavy-duty environments such as transport hubs, campuses, and urban developments. Built from galvanised steel with a reinforced rubber hose, it accommodates both Schrader and Presta valves for universal compatibility. With minimal maintenance and optional powder-coated finishes in a wide range of colours, it's the ideal solution for promoting sustainable travel and cyclist convenience.
