

# ARIS PLANTER

SKU: 304.1103

## Description

The Aris Concrete Planter is a heavy-duty, modular planter designed for contemporary public-realm and landscape projects. Forming part of the Aris Modular Concrete Collection, it offers a flexible, low-maintenance solution that can be configured both as a standalone planter or combined with other Aris elements. Its substantial mass and durable concrete construction make it ideal for high-footfall urban environments.
