## Description

The Stratton Eco Illuminated Timber Bollard is a sustainable, solid-timber lighting bollard designed to elevate outdoor spaces with warm, energy-efficient illumination. Crafted from responsibly sourced timber, it features a 1.3W warm-white LED lamp unit housed within a beautifully milled timber body. Each bollard is Danish-oil finished to highlight the natural grain, giving every unit a distinctive character that evolves gracefully over time. With simple root-fix installation and low-maintenance construction, it delivers long-lasting performance for paths, driveways, decks and landscaped settings.
