HENNESSY SMOKING SHELTER

SKU: 107.1437

Description

The Hennessy Smoking Shelter is a robust, modular outdoor shelter designed to provide weather protection for designated smoking and vaping areas. Built around a durable galvanised steel frame, the shelter is supplied in standard 4-metre bays and can be extended to suit site capacity requirements. Optional cladding, seating and cigarette bins allow the shelter to be configured to support compliant, well-managed smoking areas across workplaces, public spaces and commercial sites.
