

FERN BENCH PLANTER

SKU: 304.1231

Description

The Fern GRP Bench Planter is a multifunctional solution that combines seating and greenery in one elegant design, perfect for modern public realm projects. Manufactured from Glass Reinforced Plastic (GRP), it offers exceptional durability, weather resistance, and low maintenance for high-traffic environments. Available in a wide range of colours and finishes, Fern enhances placemaking by introducing vibrant planting and social seating. Ideal for architects, specifiers, and contractors seeking sustainable, design-led street furniture.
