

MORETON CANOPY

SKU: 206.0085

Description

The Moreton Canopy offers a practical and elegant solution for creating sheltered outdoor areas in educational, commercial, and hospitality settings. Its minimalist design features a flat roof supported by a high-strength steel frame, ensuring long-term durability and resistance to harsh weather conditions. Manufactured to BS EN 1090 standards, the canopy includes an integrated drainage system for efficient rainwater management. Freestanding with secure below-ground fixings, the Moreton Canopy allows flexible placement without requiring building attachment. Customisation options include powder coating in any RAL colour, bespoke sizing, and integrated features such as lighting or green roofing for sustainable design. Low-maintenance and visually striking, the Moreton Canopy enhances outdoor spaces by providing reliable weather protection and a contemporary architectural feature.
