CONCRETE & STONE PLANTERS SPECIFICATION DATA

## Description

The Roosevelt planter is a striking circular precast concrete piece designed to complement its namesake bench, bringing cohesive elegance to streetscapes, plazas, and public spaces. Fabricated from sealed precast concrete in a choice of light grey, buff, white, or black, and finished with acid etch, exposed aggregate, or polished surfaces, it delivers both aesthetic refinement and durability. Comprised of eight curved segments, it offers modular versatility and visual impact. Specification-ready and low-maintenance, Roosevelt is ideal for architects, specifiers, and contractors seeking elegant planting infrastructure.
