

CANNOCK LITTER BIN

SKU: 302.0257

Description

The **Cannock Litter Bin** is a large-capacity, highly durable outdoor waste unit designed for schools, parks, high streets and busy public spaces. Constructed from **mild steel (hot-dip galvanised)** or **Grade 304 stainless steel**, Cannock provides long-term resilience against weather and heavy daily use. Its **100-litre capacity, galvanised steel liner, and side-hinged access door** make servicing fast and safe. With options including ashtrays, custom lettering/decals, RAL colours and post-mounting, Cannock is a versatile BSFG solution for high-performance waste management.
