

BALL CATCHER

SKU: 401.0642

Description

The BSFG Ball Catcher Collection provides an engaging, durable and specification-ready solution for schools seeking to promote active play, target practice and skill-building in a safe outdoor environment. Purpose-engineered for Key Stage 1 (5-7 years old) and Key Stage 2 (7-11 years old) settings, these vandal-resistant units support essential physical development including hand-eye coordination, stretching, gross motor movement, problem-solving and cooperative play. Built with robust steel construction and carefully balanced proportions to suit age-specific abilities, each unit maximises daily usage and encourages structured and unstructured ball-play activities during break times and PE lessons. Affordability, longevity and child-centred design combine to create a high-value addition to any primary-age playground.

Standard Dimensions

Length x Width x Height (mm)

526 x 526 x 2218

526 x 526 x 1868
