CANOPIES & WALKWAYS SPECIFICATION DATA

SHAFTON CANOPY

SKU: 206.0086

Description

The Shafton Walkway is a contemporary covered walkway designed to provide stylish, weatherproof pedestrian routes in schools, commercial sites, and public spaces. Featuring a sleek steel frame with integrated drainage and a durable roof system, it combines functionality with modern aesthetics. Available in bespoke sizes and powder-coated finishes, the Shafton Walkway enhances connectivity and comfort in outdoor environments.
