

STEEL SLATTED SEATING

SKU: 301.0634

Description

The Steel Slatted Seat is engineered for demanding outdoor environments, delivering strength, style and longevity. Its design features a galvanised steel frame and slatted seat profile, finished in a single powder-coated colour for a clean, modern look. Resistant to corrosion and vandalism, the seat requires minimal upkeep and is easy to clean, making it perfect for high-traffic public spaces. Available in two standard lengths—2 metres and 3 metres—the seat can be surface-mounted or root-fixed for secure installation. With its robust specification and contemporary form, the Steel Slatted Seat offers architects, specifiers and contractors a versatile, low-maintenance seating solution for parks, campuses, leisure areas and civic projects.
