SKU: 302.1233

Description

The Urbanis litter bin by Westeifel Werke is a robust, design-led waste solution developed for high-quality public realm environments and supplied in the UK through BSFG. Formed from a solid steel body with a durable coated finish, Urbanis combines architectural clarity with everyday operational reliability. Available in multiple capacities and configurations, with optional ashtray integration, it supports clean, controlled waste disposal in demanding outdoor settings. An ideal choice for parks, pedestrian zones and civic spaces where longevity and visual order are essential.
