

HORIZONTAL TWIN SECURE

SKU: 110.0568

Customer Image - Police

Description

The Horizontal Twin Secure Bike Locker is a heavy-duty, space-saving solution for storing two bikes securely in public or private environments. Built from galvanised steel with a powder-coated finish, it offers exceptional durability and weather resistance. Featuring dual locking points and a horizontal design for easy access, it's ideal for schools, workplaces, and residential developments.
