

DERWENT PLANTER

SKU: 304.0348

Description

The Derwent GRP planter features an organic, rounded cubic form that enhances entrances, plazas, and interior displays alike. Constructed from lightweight, frost- and corrosion-resistant glass-reinforced plastic, it's available in refined finishes like granite, black-stone, metallic or any RAL colour with matt, satin or gloss sheen. Compact yet impactful at 500mm x 500mm x 400mm, Derwent brings contemporary flair to any location. Ideal for architects, specifiers, contractors and local authorities seeking a specification-ready, adaptable planting solution.
