

CITY BOLLARD

SKU: 501.0296

Description

The City PU Bollard by BSFG offers a fusion of modern durability and traditional aesthetics, moulded from Ultrathane polyurethane over a steel core for resilience that won't rust. Standing 1,450 mm tall with a 140 mm diameter, it's available root-fixed, surface-mounted or removable to meet diverse project needs. Powder-coated in black galvanised finish, it can be customised in RAL shades or fitted with reflective bands for extra visibility. Designed for high-traffic retail parks, city centres, and heritage zones, this bollard balances style, safety, and specification-grade performance.
