

LINN SEATING

SKU: 301.1204

Description

LINN Bench is a maintenance-friendly, backless outdoor bench designed for modern urban spaces, available in Corten steel or hot-dip galvanised steel with optional powder-coated finish. The seat uses either Sature silicate-treated pine or mahogany slats for a warm, durable surface that weathers gracefully with minimal upkeep. Part of the cohesive LINN family (bench, table, stool, planter), it installs by bolting to the ground and is engineered for long service life in high-footfall environments.
