## Description

Activate urban spaces with the BSFG Sundecks Collection – a modular and versatile parklet system featuring galvanised steel framing and durable WPC slats. Available in multiple shapes – rectangular, C-shaped with planting integration, multi-level, or semi-oval – each unit anchors securely with ground-fixing or inground options. Engineered with AISI 304 stainless-steel fixings for longevity, these modules can be combined to create benches, seats, planters or social platforms. Ideal for architects, specifiers, local authorities and contractors seeking specification-led solutions for vibrant streetscapes, plazas and active travel zones.
