

PROVINCE CITY MODULAR

SKU: 101.1301

Description

The Province City Modular Bicycle Rack offers a versatile and stylish solution for secure cycle parking in urban and commercial spaces. Available in configurations for three or six bicycles, with single or double-sided options, it adapts to a wide range of environments. Manufactured from robust galvanised steel and finished in durable paint, it ensures long-lasting performance and resistance to corrosion. Designed for easy installation on base plates, this rack is ideal for architects, specifiers, and contractors seeking reliable and aesthetic cycle infrastructure.
