

PLATEAU POINT SUN

SKU: 301.1322

Panache©Geert Wolters

Description

The Plateau Point[®] Sun is a self-contained, solar-powered lighting unit designed to integrate seamlessly with Plateau picnic tables and seating systems. Providing soft ambient and reading light without cables or electrical connections, it enhances usability and safety after dusk. The unit operates automatically using stored solar energy, offering a sustainable, low-maintenance lighting solution for public-realm environments.
