

# CUBE PLANTER

SKU: 304.0346

## Description

The Cube planter is a sleek, contemporary solution for modern streetscapes and public spaces, offering a minimalist aesthetic with robust performance. Manufactured from durable steel and finished in any RAL colour, it provides flexibility for architects and specifiers seeking coordinated design schemes. Its clean cubic form integrates seamlessly into plazas, pedestrian zones, and commercial landscapes, delivering a specification-ready option for urban planting.
