

GRAFTON PLANTER

SKU: 304.0354

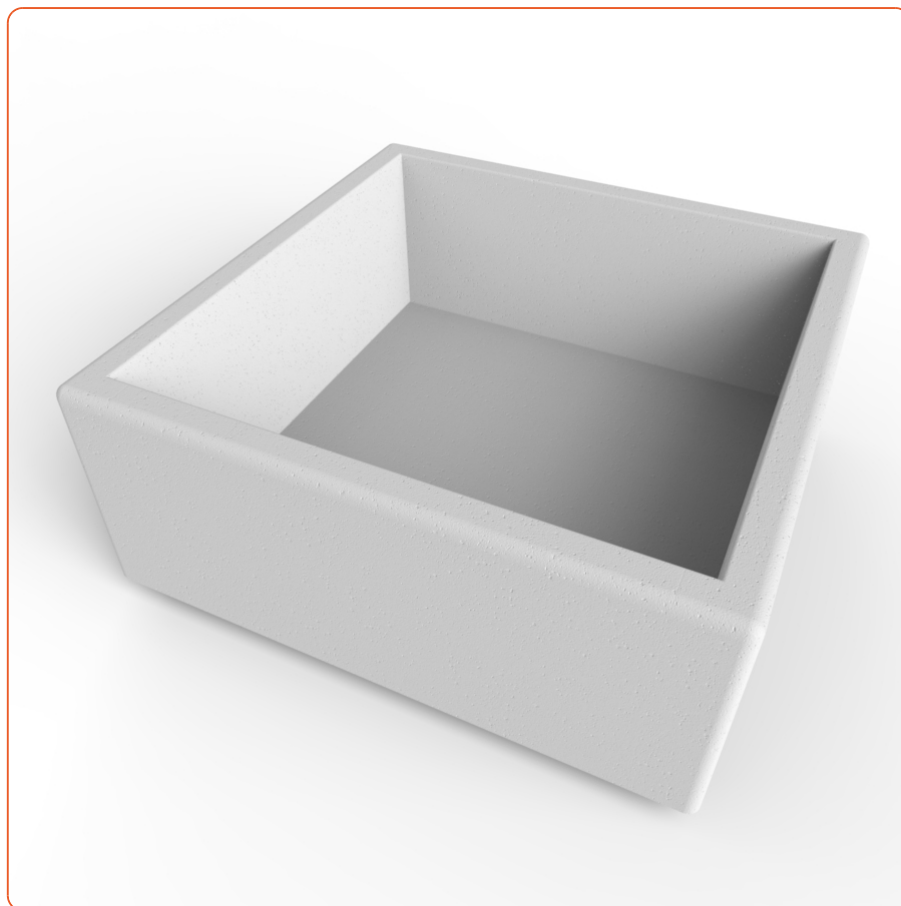

Description

The Grafton is a contemporary precast concrete planter featuring a sleek, square form with subtle acid-etched detailing for architectural elegance. Sized at 1000 x 1000 x 450 mm and weighing 696 kg, it delivers impactful presence and durability for streetscapes, plazas, and civic spaces. Available in grey, buff, white, or black with accent finishes like exposed aggregate or polished surfaces, it's sealed prior to dispatch for weather resilience. A specification-ready solution for architects, contractors, and local authorities seeking low-maintenance planting infrastructure.
