## Description

The Kube® Design Seat in Timber & Steel is a contemporary urban seating element combining a minimal steel frame with a warm hardwood seat and backrest. Offering multiple lengths and finish options, it forms part of a coordinated modular furniture family ideal for cohesive public-realm schemes. Designed for durability and visual clarity, the seat features zinc-primed, painted steel legs and 50mm thick hardwood slats in a choice of light oak, mahogany stain or untreated timber. With surface-mount installation, the Kube® Design Seat is suitable for streetscapes, transport hubs, campuses, promenades and modern landscape developments.
