SKU: 106.1453

Description

The Capital Cycle Stand is a TfL-inspired cycle parking solution designed to deliver secure bicycle parking across the UK's built environment. Engineered to support the frame and wheel of the bicycle, it enables secure locking while helping to protect bicycles from damage. Ideal for transport interchanges, public realm projects, schools, workplaces and residential developments, it combines robust durability with a clean architectural appearance. Galvanised, and Powder Coated in black RAL 9005. It has adhesive reflective vinyl, and with a P (parking) and a Cycle Logo signage stickers on the tapping rail. A trusted choice for architects, local authorities and contractors seeking high-quality cycle parking infrastructure.
