

ECOCITY LITTER BIN

SKU: 302.1404

Description

The EcoCity waste bin by Fàbregas is a sustainable, maintenance-free litter solution designed for modern public spaces. Manufactured from high-density polyethylene containing recycled material, it offers excellent durability, UV resistance and long-term outdoor performance. A stainless steel bag-holding ring supports clean and efficient waste management. Ideal for parks, streets and civic environments where sustainability and robustness are key priorities.
