

FLEXBACK POST

SKU: 501.0298

Description

The Flexback Traffic Post by BSFG is engineered for resilience in high-impact environments, featuring a flexible polymer body that rebounds after vehicle contact to minimise damage and maintenance. Standing 1,000 mm tall with a 100 mm diameter, it's ideal for car parks, loading bays and traffic-calming schemes. Available in bright safety colours with optional reflective bands, Flexback ensures visibility and compliance while reducing replacement costs.
