SKU: 302.1218

## Description

The Carroarmato litter bin by City Design is a robust, contemporary waste bin designed for demanding public realm environments, supplied in the UK through BSFG. Manufactured from galvanised steel with a durable powder-coated finish, it offers excellent strength, corrosion resistance and long-term performance outdoors. Available with or without a cover and in single or multi-stream recycling configurations, Carroarmato combines functional efficiency with a timeless cylindrical form. A reliable choice for parks, town centres, campuses and transport settings.
