

Three-level modular trapezoidal-shaped seat consisting of two 80x40x2 steel tubular supports onto which three 30° shaped seats are mechanically fixed at different heights, each of which rests on a frame made of 3 mm thick steel sheet with shaped WPC slats.
All metal parts are galvanised and coated with thermosetting polyester powder.
All fixings are in AISI304 stainless steel.
Prepared with holes Ø 12 mm for ground fixing with mechanical dowels (not included).
