

LOOP CONE PLANTER

169

These colourful, conical XL planters help create a cheerful atmosphere inside and out. Place them in squares, schools, courtyards, urban spaces or shopping areas to make these settings green and welcoming.

Design: AART Designers

TECHNICAL DATA

Material

Rotation moulded polyethylene, 6 mm thick, dyed. UV-resistant, stands up to weather, wear and tear. The material is suitable for granulation and recycling.

Surfaces and friction

The products have a textured/granulated surface due to abrasive blasting of the mold. This process enhances the friction and makes the surface less slippery.

Dimensions

Top: Ø1130mm / Bottom: Ø810mm / H700mm

Mounting

For surface fixation or fill with water/sand. Brackets to be ordered separately. Please see mounting instruction.

Maintenance

This product withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. The colour can be revived using vinyl cleaner or similar.

Family

Loop, Loop Light, Loop Arc, Loop Line, Loop Corner, Loop Picnic
