

CASTEO BREAK TW

CASTEO BREAK WPC

CASTEO BREAK W

CASTEO BREAK M

Modular table with integrated seat made of 50x40x2 mm tubular steel frame and top with 4 mm thick folded steel sheet frame and 30x15x1.5 mm steel tube or 60x32 mm hardwood or thermo-treated pine slats or WPC slats.

The table can be used individually or side-by-side.

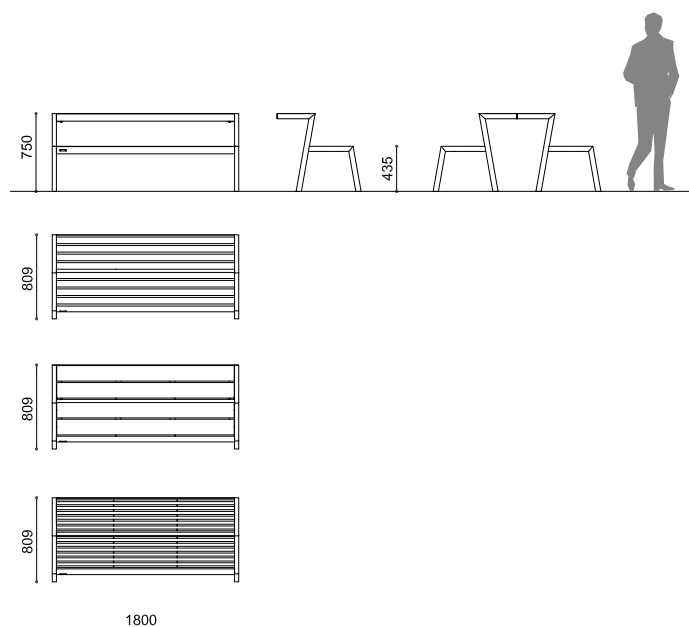

All metal parts are galvanised and coated with thermosetting polyester powder.

The hardwood is treated with water-based pigmented impregnation, while thermo-treated pine is supplied not impregnated (impregnation available as an option).

All fixings are in AISI304 stainless steel.

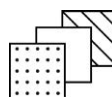

Prepared for ground fixing through M10 threaded bars to cement (included).
