

SPENCER CP

ALFREDO TASCA

The Spencer CP, designed by Alfredo Tasca, is made of a steel sheet with two cut outs for the disposal of waste. The litter bin is supplied with an openable cover that is equipped with Metalco's patented slam-lock, and supplied with a powder coated steel ashtray. A standard inner ring is provided to hold a waste bag. The circular base is made of electropolished stainless steel.

Upon request, added features such as custom graphics are available to make the Spencer CP as you like it.
