

Multiplicity Bench

Part of the MultipliCITY range that includes an illuminated bollard, litter bin, picnic table, and cycle stand - MultipliCITY is an expressive, dynamic and flexible system that combines the efficiency of mass production, the use of custom materials and configurations to express cultural preferences.

This bench shares the same form language as the seat; it is solid and grounded, interactive and user-focused, making it contemporary yet classic. This is a cast aluminium seat boasting timber slats in straight and mitered versions that enable virtually limitless configurations.

L: 2400mm x D: 581mm x H: 440mm
