

SPENCER

ALFREDO TASCA

The Spencer, designed by Alfredo Tasca, is made of steel sheet with a cover featuring a central opening for waste, which is equipped with Metalco's patented slam-lock. A standard inner ring is provided to hold a waste bag. The circular base is made of electropolished stainless steel.

Upon request, accessories such as an ashtray, inner liner, indoor base and custom graphics are available upon request to make the Spencer as you like it.
